### **Mission**

North Coast Co-op is a member-owned organization guided by the cooperative principles. As a leader in our community we emphasize a diverse selection of products while engaging members through consumer education, community building, and environmental responsibility.

### **Co-op Definition**

A cooperative is an autonomous association of persons united voluntarily to meet their common economic, social and cultural needs and aspirations through a jointly-owned and democratically controlled enterprise.

### **Values**

Cooperatives are based on the values of self-help, self-responsibility, democracy, equality, equity, and solidarity. In the tradition of their founders, cooperative members believe in the ethical values of honesty, openness, social responsibility, and caring for others.
